

WHERE PRECISION MEETS POWER

YOUR GO-TO PARTNER FOR INDUSTRIAL PIPING, BOILER SERVICES & MORE

24 HR EMERGENCY RESPONSE

- On-site emergency repair
- Leak repair
- Rapid mobilization & support
- Critical systems restoration

REFRACTORY

- Dry / wet shotcrete
- Casting / packing
- Coatings
- FRP / Fiberglass

BOILERS, FURNACES REFORMERS & PRESSURE VESSELS

- Repairs & retubes
- Heat exchanger services
- Pressure vessel repairs

TURNAROUND SERVICES

- Planning
- Shutdown & outage maintenance
- Turnaround project management
- Safety & risk management for turnarounds

CRITICAL ALLOY WELDING

- High temperature alloy welding
- Stainless steel welding
- Exotic alloy welding (e.g. Inconel, Hastelloy)
- GTAW, SMAW, FCAW & GMAW
- Welding inspections & certifications

CAPITAL PROJECTS

- Budgeting and cost control
- Equipment installation
- Systems integration & commissioning

Unmatched expertise for every project.

TRUSTED INDUSTRIAL SOLUTIONS YOU CAN RELY ON

At TC Boiler & Piping, we provide high-quality, efficient solutions tailored to meet the unique needs of your business. With a team of industry experts, cutting-edge equipment, and a commitment to excellence, we tackle the toughest challenges—from emergency repairs and turnarounds to complex system installations.

**24 HOUR EMERGENCY RESPONSE · CAPITAL PROJECTS
BOILERS · FURNACES · REFORMERS · PRESSURE VESSELS
TURNAROUND SERVICES · CRITICAL ALLOY WELDING**

MECHANICAL SERVICES

R, S & U STAMPS

- R-Stamp for repairs and alterations of boiler & pressure vessels
- S-Stamp for manufacture and assembly of power boilers
- U-Stamp for manufacture of pressure vessels

FIELD ERECTION & INSPECTION

- Structural steel erection
- Equipment installation
- Piping & tubing systems
- Rigging & lifting services

HYDRO TESTING

- Pressure testing of systems
- Vessel hydro testing
- Certification of pressure equipment

OFFSITE FABRICATION

- Piping fabrication
- Structural steel fabrication
- Tank & vessel manufacturing
- Modular assembly & prefabrication
- Welding & assembly services

PLANT MAINTENANCE

- Maintenance repairs
- Progress tracking & reporting

PROJECT CONTROLS, PLANNING & SCHEDULING

- Project timeline management
- Resource allocation & scheduling
- Cost estimation & budgeting
- Risk management & mitigation

STRUCTURAL FABRICATION & INSTALLATION

- Steel structural fabrication
- Support systems & bracing
- Structural modifications & upgrades
- Field erection & rigging

TORQUING & TENSIONING

- Bolt tensioning
- Flange bolt torquing
- Hydraulic torque wrenching

BLIND TO BLIND SERVICES

- Blind installation & removal
- Pressure testing

TUBE EXTRACTION

- Heat exchanger bundle extraction
- Tube replacement
- Bundle reinstallation

REFRACTORY SERVICES

COATINGS

- Epoxy
- Vinyl ester
- Phenolic
- Tank lining
- Containments
- Structures

FRP / FIBERGLASS

- Pipe fabrication
- Tank restoration
- Containments

FIREPROOFING

- Cementitious
- Intumescent

REFRACTORY BRICKWORK

- SRU's
- Boilers
- Heaters
- Acid pads

CONCRETE

- Pedestals
- Pads
- Containments

CERAMIC FIBER

- Modules

***When you need results that matter, trust TC Boiler & Piping to deliver.
Let's get the job done—on time, every time.***

**Expertise You Can Trust · Quick Response Times
Innovative, Reliable Solutions · Experienced Team
State-of-the-Art Technology**
